Subject: Judge position at Stewart Detention Center - Reassignment Opportunity
Date: Wednesday, August 09, 2017 4:26:52 PM

Fellow judges,

The Stewart Detention Center will need an IJ in September of this year. The reassignment register and the hardship reassignment register do not currently have any volunteers for this location. There is a critical management need to fill this position as soon as possible. I am writing to see if we have any judges interested in a reassignment to Stewart.

Because we have an immediate management need to cover that court, we will consider judges who would otherwise not be eligible to place their names on the reassignment register (for example, due to being on the bench fewer than 24 months or having been recently reassigned – see paragraph 13.4.6 of the collective bargaining agreement with NAIJ for other bars).

If you are interested, or would like to discuss it further, please reply to DCIJ Cheng and me by close of business on 16 August 2017. As with all voluntary reassignments, the move would be at no cost to the government and while the effective date is open to discussion, our preference would be for it to happen sooner rather than later.

Thank you!
